which loaded at Pensacola, has ar-In short, soured milk contains the bacilli which are needed to oust the more harmful ones from the large intestine, which is the seat, by the way Thus far this month twelve steamof most of our troubles in the way of ships and eight sailing vessels have unnecessary sickness. In a recent been entered at the Pensacola custom book, Elias Metchnikoff, head of the house. About the same number have great Pasteur institute, declares even that life may be prolonged to great age by a steady diet of soured milk, and quotes various long-lived races Br ss Chatton, Roddam, for Rotterwhose chief article of food it is-add ing, as if the thing were only incldental, that these sour-milk drinkers possess in the main marvelous com plexions. Glorious compensation! And Lowther Range, Br ss, Hedley, 2468, in addition these folk are given less for London and Leith, with 1,211,988 to kidney troubles than other races, s ft lumber, 226,021 s ft lumber, 83000 for the soured milk directly benefits the kidneys, and the intestinal troubles to which other countries are prone

are kept tremendously in check. "Lactated milk" is a drink now much taken by not a few society women who have regard for their complexions and those who dislike the bother of preparing it declare that they get the same results from buttermilk. Lactated milk is prepared from sweet milk, boiled and treated to a pinch of salt and a lactic laaven. The Dordrecht, Dutch ss, 1365, Vesser, leaven, which comes in the form of tablets, is sold at the drug store as yeast would be sold at the dairy, and the formula calls for one tablet Holm, Ger dredge, 224, Nieland, Gal-(crushed) and as much salt as would lie flatly on the point of a knife, these being put in one quart of milk after it has been boiled and left standing until Santanderino, Span ss. 1993, Equerrols. Liverpool via Cuban ports, to it is perfectly cold. The milk is then put in stoppered bottles and set away Kathleen, Br ss, 2533, Radford, Pa- for twenty-four hours, when it is ready for drinking. If the tablet and salt are used while the milk is boiling Wavelet, Br ss, 2590, Sanderson,

or still hot the drink is spoiled. As the cream in the quart bottle Lowther Range, Br ss, 3297, Hedley, is used for lactated milk, it is more nourishing than buttermilk, but as a beautifier too much praise cannot be given the latter, and those who cheerfully take their fun quart of butter. Vosegen, Ger ss. 2369, Paulsep. fully take their fun quart of butter-Edernian, Br ss, 2618, Roberts, Vera milk a day, with other food or without, may be certain that they are cultivating bright eyes and freshened Po. Ital ship, 1898, Razeto, Fiume, complexions, for unnumbered impurities are carried off through the kid-Antigua, Nor ship, 1329, Mobile, to neys by this beneficent and inexpen-

sive drink. Buttermilk is excellent for the young and a positive boon to the old Blanche, Ital ship, 1413, Mortula, and all those persons to whom raw sweet milk is unpleasant and even harmful for it is now generally known erhaus, London, to Robert Tuemler that uncooked sweet milk, while excellent nourishment to some persons,

is poison to others. There are unnumbered ways of souring milk so that it will be both palatable and helpful to health and looks. One of these is to use common bread yeast with boiled milk, letting it stand until fermentation gives the sharp acidity striven for. Montevideo, to Robert Tuemler & Another way is to use rennet, but though the curdled milk resulting from this is very appetizing it is not supposed to contain just the quantity of nourishment that lactated mi. a would have. Still another way is to set the milk in a warm room where it will "clabber" of its own accord and then eat the thick mess with a spoon

and sugar Lake Erie, Nor bk, to Robert Tuember & Co.

Schooners.

Doris, Am sch. 310, Axelson, Port ampa, to master.

For regular drinking, however, buttermilk may be recommended, as this is easy to procure, and to most palates, even where it is disliked in the beginning, it comes at last to be a parancas at 5:00 p. m. instead of 5:10 p.

Doris, Am sch. 310, Axelson, Port Tampa, to master.

Melba, Br sch. 388. Richards, Cien Mulba, Br sch. 388. Richards, Cie

ice cold, is served in tall glasses like unto those offered at the dairy with the same fluid. It is flanked by plates of gluten or brown bread, a dish of sweet butter and one of some cooked fruit-prunes prepared with baking and much sugar till they are almost like candies, baked apples or very sweet stew pears. This light lunch is LIST OF LETTERS REMAINING AT is sustaining as it is refreshing, and since talk of the helpful side of buttermilk always goes on, every woman departs, you may be sure, with the fee! ing that she has been wise in her choice of menu.
